Hello,

Whether your student is new to the high school setting or already an expert on the BMCHS campus, navigating the financial maze can feel overwhelming at times. You are not alone in this confusion—many families share your concerns, wondering how they can make this dream of a Catholic education a reality for their children.

Fortunately, there are options available! Scholarships and grants can significantly reduce the burden. BMCHS offers a variety of financial aid opportunities to our students. Please refer to the options on the following pages regarding the various offers and requirements. Each scholarship has its own Eligibility Requirements and Application Requirements. It is essential to do your research and reach out for help if needed.

Did you know that in 2023, House Bill (HB) 1 was signed into law? This eliminated the income restrictions on the FES-EO and FTC Scholarships, thus making **all children of Florida residents who are eligible to attend public school in grades K-12 eligible for a scholarship**. Don't miss the section on *Scholarships Offered by the State of Florida* and **apply for a scholarship worth an average of \$7,400!!!**

Did you know **you can “stack” scholarships** and save even more on your student's tuition? Don't miss the section on *Stacking Scholarships* to find out how!

Affording Catholic school tuition can be challenging, but many families navigate it successfully. Keep exploring your options and remember that you can reach out to me with questions along the way. Have a blessed day!

“Not only are the attitudes of teachers crucial for the success of Catholic education but also the attitudes of Catholic parents. Parents must set themselves very definite priorities, such as the determination to have schools in which their children's faith will be respected, fostered and enriched; schools in which their children learn the value and beauty of the Church's teaching. They must also see to it that their own homes are places in which these values are first fostered and lived. Parents' own practice of the faith, their own love for Christ, is of course fundamental.”

– Address of the Holy Father Pope John Paul II to the Bishops of the Ecclesiastical Regions of Chicago, Indianapolis, and Milwaukee (USA) on their “Ad Limina” Visit, May 30, 1998.
