

A FRESH CHAPTER IN DINING

We are thrilled to join the Bishop McLaughlin Catholic High School community as your new foodservice partner. At CulinArt, we believe dining should nourish the whole student — supporting wellness, confidence, performance and community through fresh, flavorful food prepared with care. We're proud to bring Bishop McLaughlin an all-new dining experience centered on scratch cooking, seasonal ingredients and meals designed specifically for your growing students' needs.

NOURISHING EVERY STAGE

We create a dining experiences that grow alongside each student's journey. We focus on comfort, familiarity and building confidence around food - while introducing international flavors and interactive stations that encourage exploration, independence and connection. Across every age group, we prepare fresh, seasonal meals from scratch using whole, minimally processed ingredients that support wellness, focus and overall well-being.

FOCUS ON WELLNESS

We make wellness fun and approachable through engaging experiences and flavorful, nutritious meals that encourage healthy habits for life. From balanced everyday choices to performance-focused options for active students, our program is designed to support the well-being of Bishop McLaughlin students at every age.

LOCAL SOURCING

We prioritize fresh, locally sourced ingredients whenever possible, partnering with regional farms and producers to bring seasonal, Florida-grown foods to campus. Through menus, promotions and educational experiences, students gain a stronger connection to where their food comes from and the importance of sustainability.

ALLERGENS

CulinArt is committed to a safe and inclusive dining environment through trained staff, careful preparation practices and clearly labeled menu options that support food allergies and dietary needs. Families will also have access to Nutrislice, our digital menu platform, where menus, ingredients and allergen information can be viewed anytime.

INTRODUCING MyKidsSpending (MKS)

We are excited to introduce MyKidsSpending (MKS) through our technology partner, ODIN Inc. MKS is a convenient online payment and account management system that allows families to securely add funds, view account balances, monitor purchases and receive low-balance notifications — all in one easy-to-use platform. More details on how to create your account and manage student dining purchases will be shared prior to the start of the school year.
