STUDENT ESSAY PROMPT:

The Catholic Church teaches that the call to discipleship is both a privilege and a responsibility that requires commitment, sacrifice, and transformation. It involves a personal commitment to Jesus, a transformation of character and conduct, and a daily effort to live in accordance with his teachings. In the Gospels, Jesus invites his disciples to follow him, adopt his way of life, learn and grow from his example, and assist in making his kingdom on earth a reality.

How have you personally responded to Jesus' call to discipleship in your relationships with family, friends, and members of your church and school communities? How has your discipleship benefited you personally?

Your essay must be no longer than 2 pages, double spaced and include specific examples of your response to the call to discipleship. (Be sure to include the date, your name, and your grade for the upcoming year.)

Last day to submit this application and essay is April 15, 2027. Questions contact scholarships@bmchs.com
